Solution

Fifteen

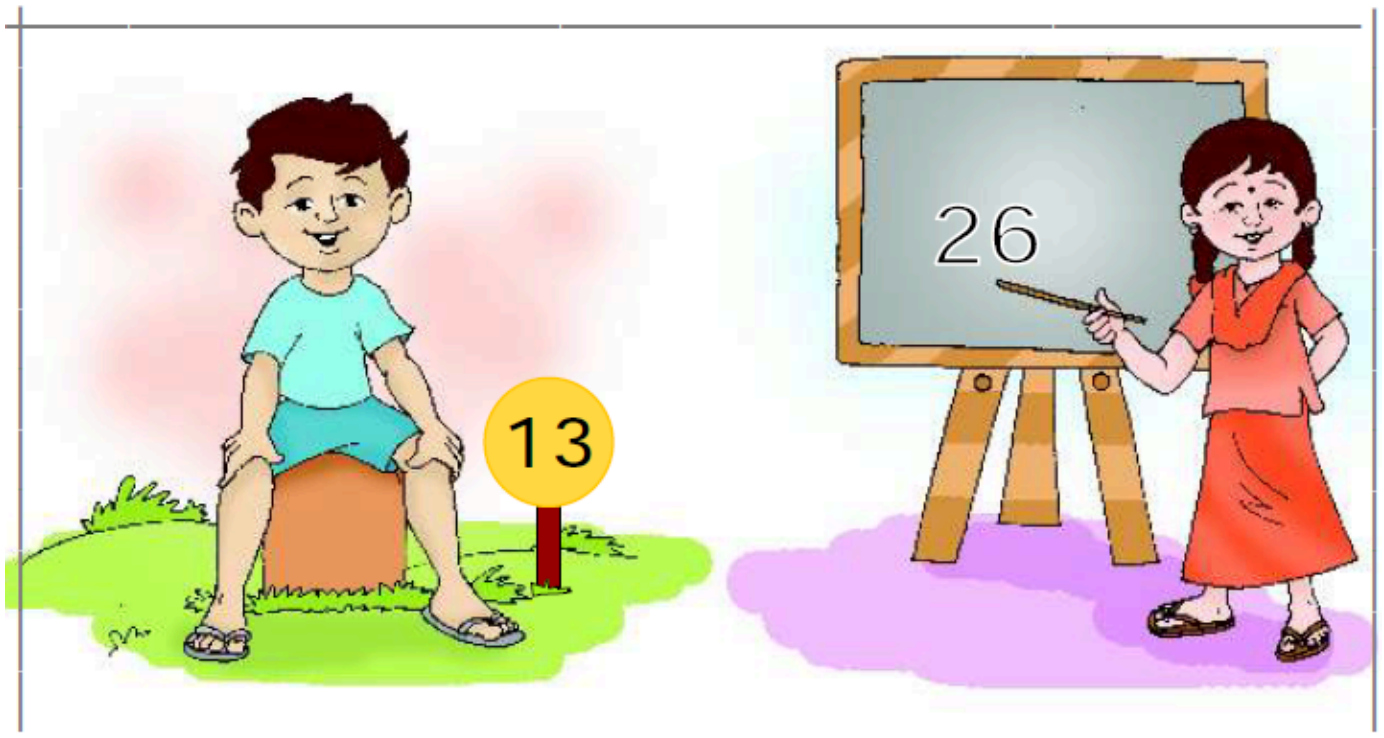

Question 5

How many tens?

Solution**Question 6**

Which is the bigger number?

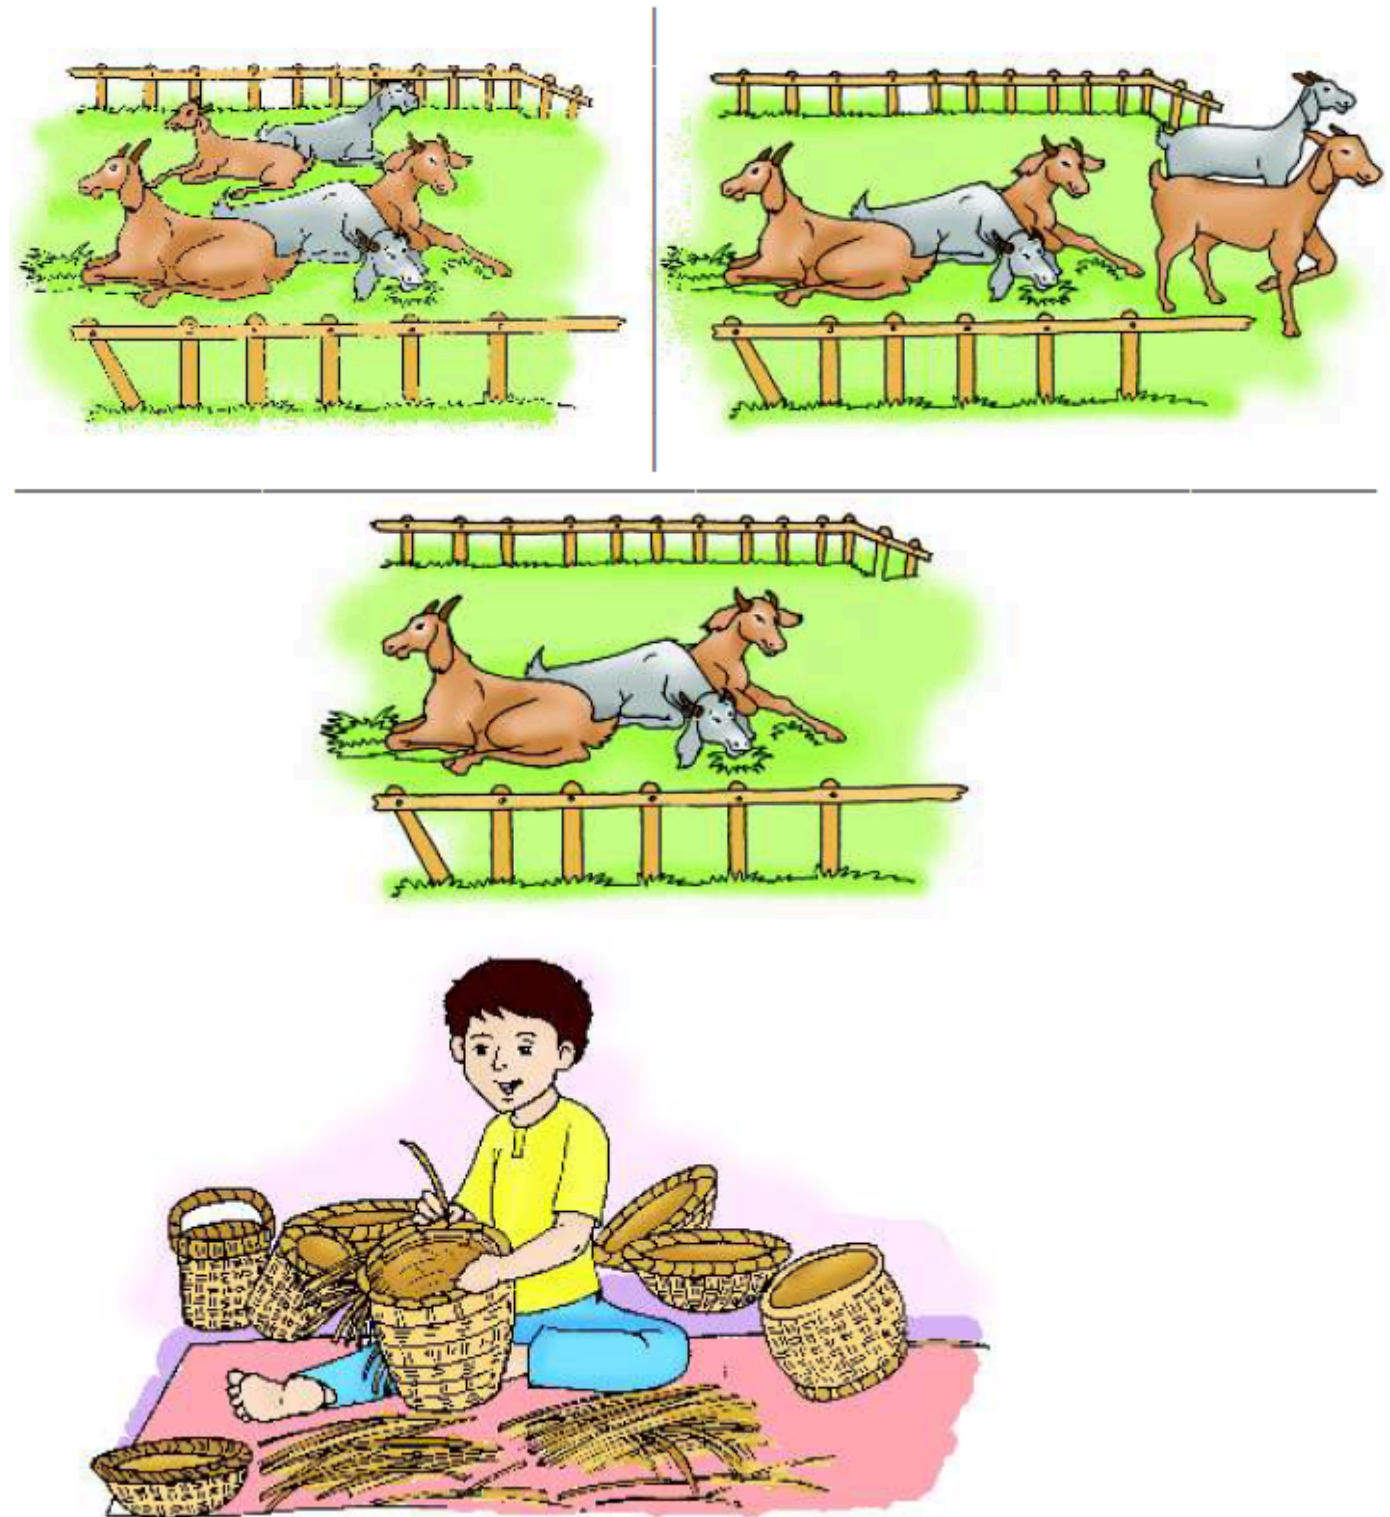

Solution

26 is the bigger number.

Question 7

Develop a story on the pictures and narrate in the class.

Solution

Billu is a little boy. He is very hard-working. He makes beautiful baskets out of wood splints.

He has 5 pet animals in his farm. Two of them left for grazing in another farm. Thus, now the farm has only 3 pet animals left.
