Solution

Ladakh is situated in Kashmir. It is the highest plateau in India, being over 3000 m. It is a very cold place.

Chuskit's Chair

Question 1

What are the things that you enjoy doing in school?

Solution

I enjoy learning, talking and playing with friends in school.

Question 2

Do you like going to school?

Solution

Yes, I like to go to school.

Question 3

Would you like it if you never could go to school?

Solution

No, it would be miserable if I could never go to school.

A Good Idea

Talk about It

Question 1

Who all helped Chuskit to reach school?

Solution

Abdul, the Headmaster, teachers and children of the school helped Chuskit in reaching school.

Question 2

If you were Abdul, what would you have done?

Solution

If I were Abdul, I would have done the same thing that Abdul did.

Question 3

At last, Chuskit could reach school. Do you think that she may face some difficulties in school? What kind of difficulties? If you were Chuskit's friend, how would you help her?

Solution

Yes, I think she may face problems such as climbing the stairs and so on. She can't play like normal children.

Being Chuskit's friend, I would help her in going around places and support her in all possible ways.

Question 4

Do you have ramps in your school on which a wheelchair can move?

Solution

Yes, I have ramps in my school on which a wheelchair can move.

Question 5

Do you know any child near your house who cannot go to school because of some difficulty? Would you like to help such a child? How will you help?

Solution

Yes, I know a child who lives near my house who cannot go to school because of his blindness. I would like to help such a child. I would try to convince his parents to send him to the school for the blinds. Also, I would read out lessons and stories to him.

Question 6

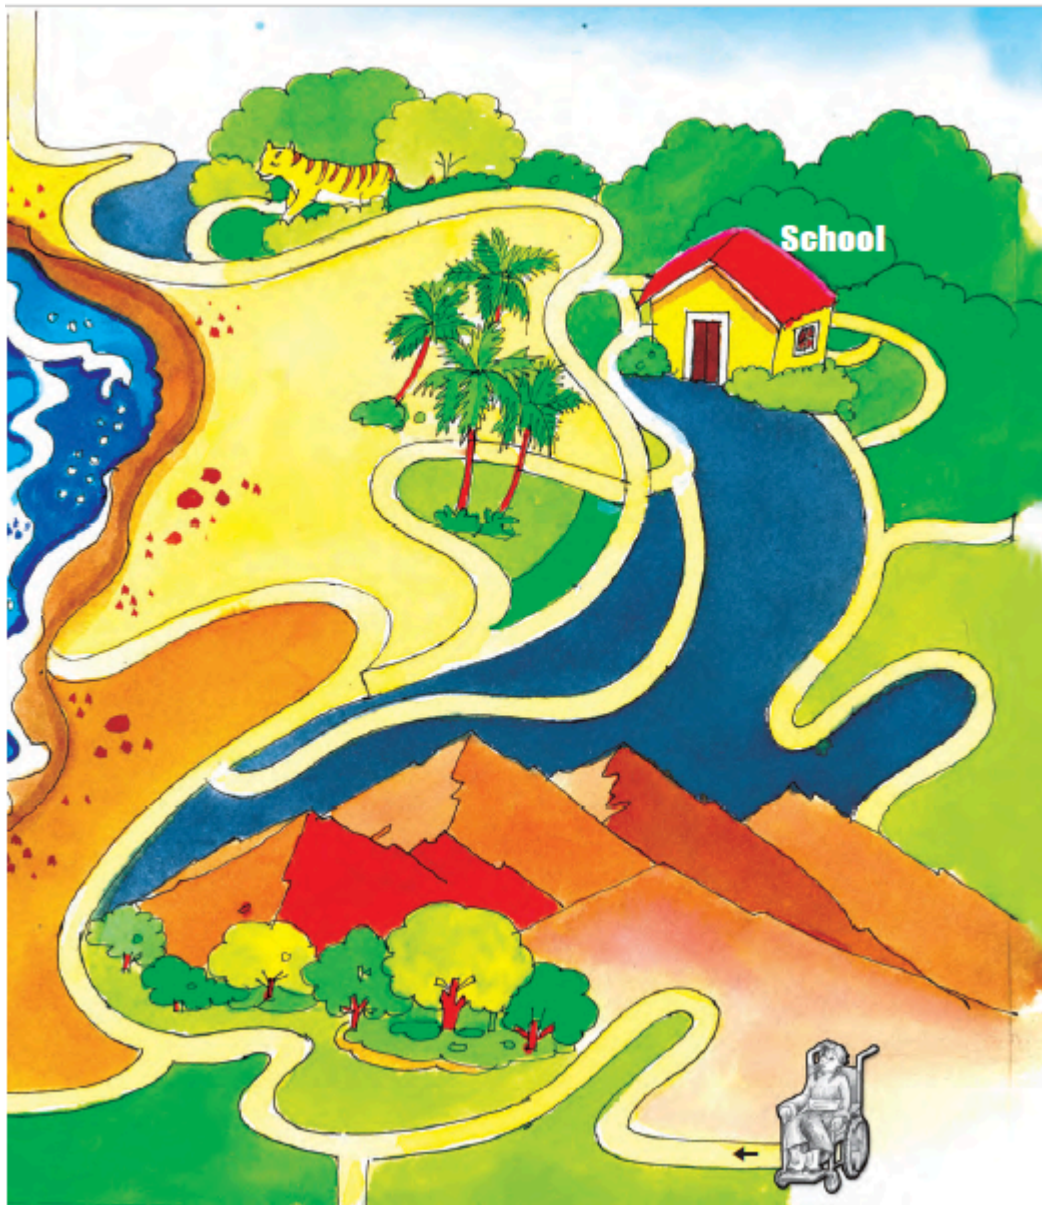

Look at the buildings around your house. Can a wheelchair go inside the building?

Solution

Yes, a wheelchair can go inside the building.
